

Office of the President

Dear Friends-

Fall is approaching, which means cooler temperatures, football and thoughts of harvest time! The Independent Assemblies fellowship of churches and ministers has been involved in a tremendous spiritual harvest now for over 40 years! Jesus referenced it in Matthew chapter 9. "The harvest is great, but the workers are few. So pray to the Lord who is in charge of the harvest; ask him to send more workers into his fields." Together, we have established churches, bible schools, medical clinics, and feeding programs in many nations of the world.

World Harvest Sunday is scheduled for September 13th, 2009. Prayerfully consider what you will give in this annual effort to fund our mission projects. Our native leaders around the world are depending on us to obey the Lord and give. Thank God for the souls won each year through their efforts.

Also, the annual World Missions Conference will be held in October in Blackwell, Oklahoma. Please make your plans to join us for this inspirational time. More details can be found at www.independentassemblies.org, and in the new CONNECTION magazine, also available online.

I am excited about "This Generation", a fellowship-wide youth initiative headed up by Pastor Thomas Buckley. Youth rallies, camps and concerts are being planned, as well as training and fellowship for youth leaders in our fellowship. A move of God has truly begun in several of our student groups! Please join me as we encourage and equip the young, emerging leaders in our movement.

Thank you for affirming me as Independent Assemblies President for another four year term during the business meeting at our annual minister's conference. I am grateful for this honor, and humbly pledge to serve you with integrity. It is my prayer to add value to your ministry and assist you in fulfilling God's call on your life.

Your servant and friend,

Pastor Mickey Keith
