SPEAKER

DAVID COOK

David Cook, pastor of International Bible Church, will be the keynote speaker for the upcoming 2016 IA Conference. Cook is the former president of International Bible School in San Antonio, Texas where he helped educate and prepare mission field workers for their ministry. He and his wife Jeanie have traveled in 30 countries as full-time evangelists.

Cook is in great demand nationwide as a conference, convention, and camp meeting speaker. He is welcomed by many denominations and ministerial associations for his dynamic teaching and preaching with an appointed word from God. The powerful sobriety of his Bible-based teaching is brightened with humor and tempered with humility and grace.

Dr. Cook will speak Monday and Tuesday night, and teach a workshop for ministers Tuesday morning.
